Water Main Replacement Group Job 3008: E-Newsletter #28 | April 12, 2010

This is the 28th e-newsletter for Water Main Replacement Group Job 3008. The e-newsletter will be distributed bi-weekly for the remainder of the project to keep the community informed about construction progress. The next e-newsletter will be distributed the week of April 26, 2010.

Project Description

The water main replacement work for Group Job 3008 is on schedule to be completed in April. Group Job 3008 consists of two sections - Group Job 532 and 533. Construction crews are replacing the existing cast-iron mains that are nearly 60-years old and are at the end of their service life.

The project will:

- replace 17,979 feet of 16" cast iron water mains
- improve service reliability
- minimize future water main breaks caused by aging pipes
- increase the size of existing pipes to better serve the area

Total project cost is \$5,777,000.

Contact Information:

Water Department's 24-hour Emergency Services Hotline:

(619) 515-3525

Group Job Public Information Line:

(619) 533-4207

General FAQs:

www.sandiego.gov/engineering-cip

Construction crew members prepare to place a new 16" diameter pipe into a trench located at the intersection of Pacific Highway and N. Harbor Drive.

Upcoming Construction Activities

During April 12 - 23 construction crews will:

Group Job 532: Traffic Control/Work Hours:

Lanes will be intermittently closed.

Day Work

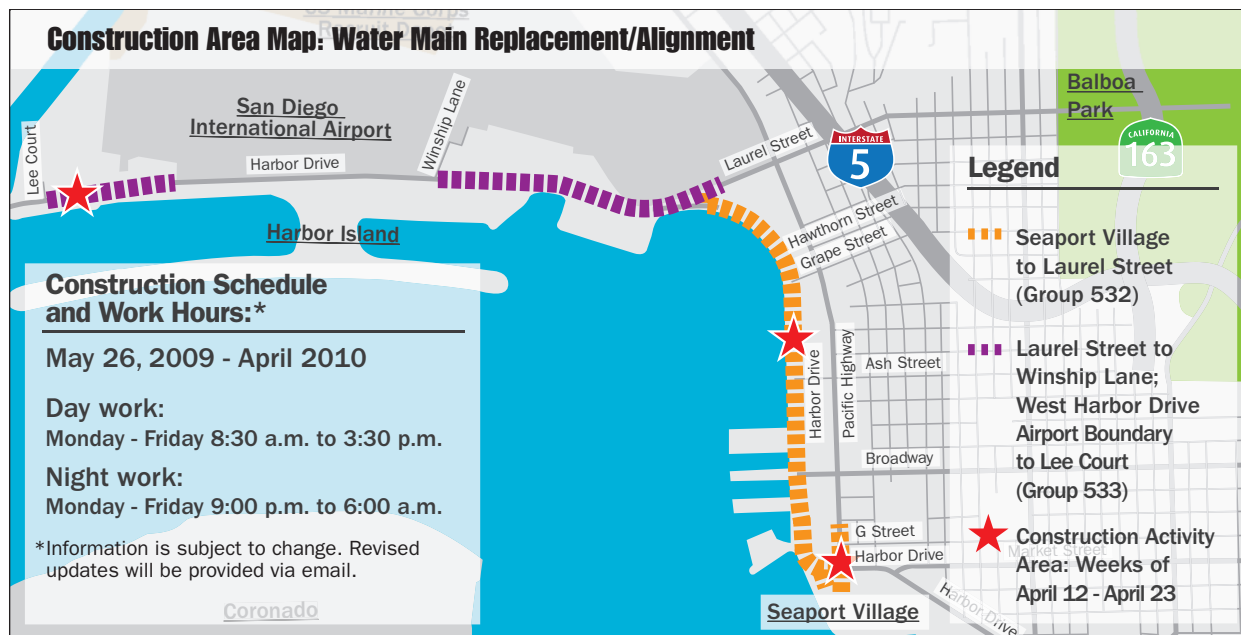

- Continue installing 16" diameter pipe at intersection of N. Harbor Dr. and Pacific Hwy.
- Continue installing fire hydrants along N. Harbor Dr.

Group Job 533: Traffic Control/Work Hours:

Lanes will be intermittently closed.

Day Work & Night Work

- Continue installing water services and meter boxes along N. Harbor Dr. west of Laurel St. (heading towards Lee Ct.)

"Working together to engineer a better tomorrow."
